School Day

Following a continued trial of a single school lunch time this week we will continue with this arrangement for the rest of the term.

Each week, one year group will have priority to get their food first. It's year 7's turn next week. Year 8 and Year 9 will go in after them.

On each row, place a three-letter word that can be attached to the end of the word to the left and to the beginning of the word to the right to give a longer word in each case.

When completed, the initial letters of the added words will give a fruit reading downwards.
